## Conditions of Evaluation

GLI's compliance evaluation of NetEnt Gaming Solutions PLC's games is subject to the following conditions:

- Data is being sent to the mirror and safe by the operator.
- GLI's compliance evaluation of NetEnt Gaming Solutions PLC's games was related only to the technical scope of work elements discussed herein. This specifically excludes any other features or functions provided by the submission not related to these elements.
- GLI's compliance testing of the games did not include a supervised Build and Install of the software components under test and as a result a standard baseline envelope for the application files, source code, binaries and configuration files could not be established for the games. Therefore, GLI is unable to verify that the games tested by GLI correspond exactly to the source code provided to GLI. The compliance evaluation of the slot games was limited to the evaluation of the information provided by the supplier at the time of testing.
- GLI generated the checksums of the software and source code files using the methods stated below:

Verify+ by Kobetron™ - Verification Procedure for Files or Directories:

1. Open Verify+ by Kobetron™.
2. Select the "File" or "Directory" radio button option.
3. Select the "Browse" button and then choose the file or the top directory for which a signature is being requested.
4. Click the "Verify" button.
5. The current File/Directory being checked will be displayed in the window.
6. The program will generate the aforementioned signatures and display the results.

## Conclusion

Subject to the Conditions of Evaluation, GLI has determined that the below games submitted by NetEnt Gaming Solutions PLC comply with the requirements of the applicable Technical Standard in the jurisdiction of Romania Online, as regulated by National Office for Games of Chance (ONJN).

Game Name	Version
1. "Robin Hood: Shifting Riches™"	3.23.0
